REPORTING ABSENCE

From time to time your child will wake up in the morning saying they feel unwell. Whilst we do encourage children to come to school even if they 'feel a little unwell,' we do not want children in who are genuinely ill. Always try to send your child in even if they are feeling a little under the weather, for example a runny nose, headache or tummy ache, often a dose of Calpol will help them through the day. If they do become more unwell while at school, we will contact you to collect.

Please report absences by 9am on:
