Health and Safety Statement of Intent

2025-26

The **Trustees of the Group Board** recognise and accept their responsibility, as the employer for all United Church Schools Trust (UCST) and United Learning Trust (ULT) employees, to provide workplaces and work practices which are safe and healthy for employees, pupils, and visitors - including contractors or anyone else who might be affected by our operations.

In all schools, the day-to-day responsibility for health and safety rests with the **Head Teacher** with operational oversight delegated to a named **Health and Safety Coordinator**. At central office, the **Executive Team** share this responsibility. Each school has a **LGB Representative for Health and Safety** who represents the Local Governing Body at the school's termly Health and Safety Committee meetings and reports to the local governing body on matters of health and safety.

The **Chief Financial Officer** is the Executive with responsibility for health and safety compliance. A **Head of Health and Safety** is appointed to assist the Chief Financial Officer in fulfilling their responsibilities.

Trustees are especially mindful that exposure to risk is an essential part of the education process. **United Learning** is committed to providing a learning environment that, whilst not unduly hazardous, provides all students with a stimulating experience that equips and prepares both children and young adults for life in the real world.

It will:

- Ensure health and safety risks are identified, assessed and appropriately controlled.
- Take all reasonable steps to ensure a safe environment with adequate welfare facilities.
- Ensure competent advice with regards health and safety management, including where necessary any external specialist advice.
- Provide adequate resources to ensure the Health and Safety Policy is implemented effectively.
- Provide suitable and sufficient information, instruction and training to ensure safe working practices.
- Prevent accidents and cases of work-related ill health, and where they do occur ensure they are appropriately investigated to learn lessons and prevent a recurrence.
- Have procedures in place to effectively deal with emergencies for example fire and other significant events.
- Ensure consultation with employees and their representatives on matters of health and safety.
- Ensure appropriate monitoring and review of health and safety arrangement to ensure health and safety objectives are met and continual improvement in health and safety performance.
