Here We Are: Notes for living on Planet Earth by Oliver Jeffers

What a Wonderful World by Elizabeth
 I see panthers of black.
 Pink flamingos too.
 I see a rainbow with colours.
 For me and you.
 And I think to myself...
 What a wonderful world!

Here We Are

Handwritten text on multiple cards with decorative borders of small globe icons.

Small text on the left side of the board:

It has been long thinking about all wonderful things that we are lucky to see, hear, feel, touch and taste. Planet Earth. We believe in a very Amazingness called What is Wonderful and used our own ideas to make our...

A bulletin board with a green scalloped border. It features a central globe with the text "Here We Are" and several cards with text and illustrations. One card reads: "People come in many shapes, sizes and colours." Another card reads: "We may all look different and sound different but don't be fooled, we are all people."
