REPORTING ABSENCE

From time to time your child will wake up in the morning saying they feel unwell. Whilst we do encourage children to come to school even if they 'feel a little unwell,' we do not want children in who are genuinely ill. Always try to send your child in even if they are feeling a little under the weather, for example a runny nose, headache or tummy ache, often a dose of Calpol will help them through the day. If they do become more unwell while at school, we will contact you to collect.

Please report absences by 9am on:

01384 818965

PUNCTUALITY

Please work with us to provide your child with the best chances of learning by ensuring that they are in school **every day** and **on time**. Parents will be called to have a meeting for children that are persistently late.

Bell goes at 8:40am children should be in and ready to learn by 8:50am

Christmas Dinner

Could you please ensure you have ordered your child's lunch by **Thursday 14th December**. You can order by going to the Week Beginning 18th and then going to Wednesday. This is so the kitchen can prepare in advance.
